

Packing list / equipment

Our approach is: Less is more! - You usually need far less than you pack.

Please do not bring hard cased bags or suitcases as there is little stowage room aboard. Duffel bags or any other type of soft bags are most convenient.

You need some good sailing gear? – Ask us!

Mandatory:

- Everything you bring for a summer/beach vacation, especially:
 - swimsuit
 - towel (we will have 1-2 towels p.P. aboard available for you)
 - sunglasses
 - sunscreen (no sun oil, please, as the deck gets dangerously slippery)
 - sunhat/cap (remember its windy aboard, so big hats raise the risk of being blown away).
- A light rain jacket and if you have rain pants. Strong winds can get you cold and wet even without rain.
- 1 pair of long trousers and a warming jacket (Fleece, Windstopper, softshell)
- 1 pair of shoes for aboard (boat shoes, sport shoes, ...)
- 1 pair of shoes for ashore
- Passport (valid at least 6 more months after the trip! Please check the immigration-requirements for your nationality for the islands on our route or contact me!)
- Drivers license (for car-/motorbike rental)
- Bank-/credit card
- Travel documents/tickets/ health insurance
- Personal medication
- Pansails contact data

Please do not bring:

- Sun oil, as the deck gets dangerously slippery
- Easily breakable items / electronics
- Especially valuable items
